your suggestion, [REDACTED] got in touch with [REDACTED] and discovered

2. [REDACTED] will graduate from Harvard this year and appears to us to  
have considerable promise. We have told Personnel that we would be happy  
to consider him for a place in O/O. He has applied for a Naval Reserve  
commission, but it is probable, from his papers, that his eyesight will  
prevent this.[REDACTED]
